

Autumn School Flow Battery

Presentation

On the 12th and 13th of November, [Leitat](#) organizes an Autumn School, with the support of [IREC](#), [JenaBatteries](#), [UAB](#) and [UB](#), on flow batteries. During these two days, participants will discover the latest scientific advances in the field and will get a realistic vision, thanks to practical classes done in the laboratory.

Master and PhD students are invited to participate. The participation in the *Autumn School* is completely free of charge. All costs such as transport and catering are included. This event is being organized in the framework of the European project [EnergyKeeper](#)

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 731239

Agenda

Day 1

12/11/2018 - IREC

8h	Bus from UAB to IREC
9h00 – 10h30	Electrochemistry Pere Lluís Cabot(UB)
10h30 – 11h00	Break
11h00 – 12h30	Flow Batteries Juan Ramón Morante (IREC)
12h30 – 13h00	Redox Polymers Xavier Jimenez (Leitat)
13h00 – 14h30	Lunch
14h30 – 15h30	JenaBatteries Tobias Janoschka
15h30 – 16h00	EnergyKeeper Flavia Palombarini (Leitat)
16h30	Bus from IREC to UAB

Jardins de les Dones de Negre, 1, 2^a pl.
08930 Sant Adrià de Besòs, Barcelona

Day 2

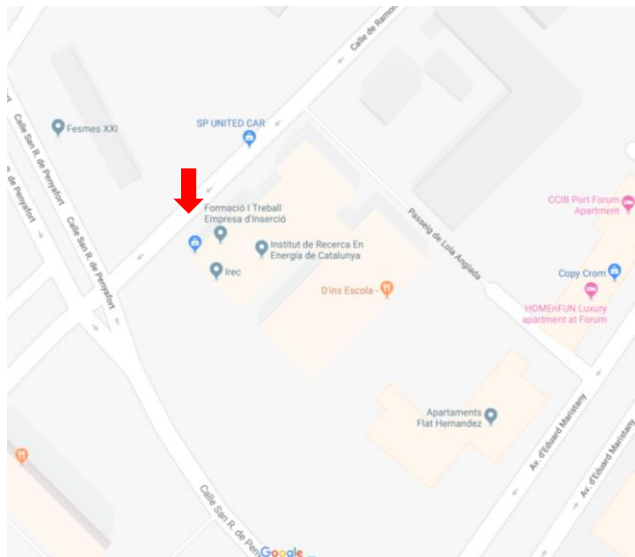

13/11/2018 - Leitat

8h	Bus from IREC to UAB and finally to Leitat	
9h00 – 9h30	Leitat (safety,...)	
9h30 – 11h00	Group A Energy Lab Inorganic RFB Juan Ramón Morante	Group B Energy lab Organic RFB Flavia Palombarini
11h00 – 11h30	Break	
11h30 – 13h00	Group A Energy lab Organic RFB Flavia Palombarini	Group B Energy Lab Inorganic RFB Juan Ramón Morante
13h	Briefing + questionnaire + Lunch	
15h00	Bus from Leitat to UAB and IREC	

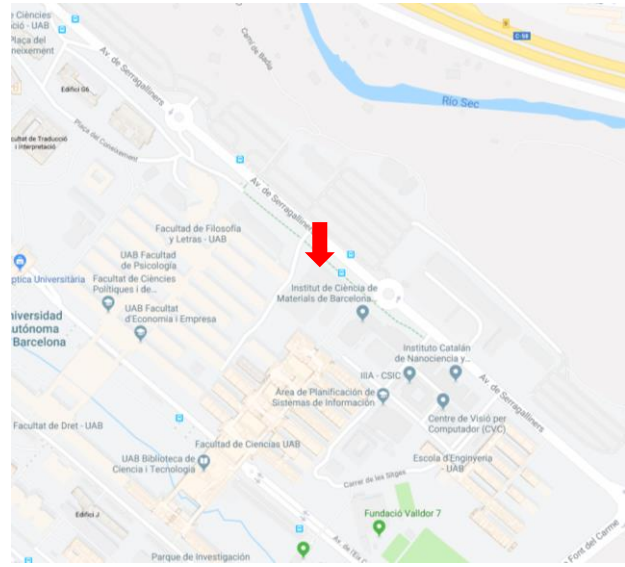

Carrer de la Innovació 2
08225 Terrassa

Bus pickup

Pickup place at IREC

Pickup place at UAB

Parada "UAB Ciència"

Pickup place at Leitat
